

SBFPS Foster Friends Program

Lexy enjoys her new tree!

We believe each of the individuals living at Story Book Farm Primate Sanctuary deserves a happy and comfortable life. Many of the residents have come to SBFPS after spending years as research animals, exotic pets, or animals in the entertainment industry, and in many cases, living in sub-standard conditions. By becoming a Foster Friend, you can help to ensure that your chosen resident will continue to receive the best care possible. Your *annual* Foster Friend gift enables a primate to live in a peaceful, loving and respectful sanctuary home, along with other primates and neighbours. Your donation will help provide nutritious food and enrichment.
